

# The Political Economy of Natural Resources and Rentier States

GUBAD IBADOGLU  
LEILA ALIEVA

[Winter Semester Registration is now open: Register Here!](#)

Online Seminar Tuesdays 9:00AM - 11:00AM EDT beginning October 13 for 10 weeks.

[Dr. Leila Alieva](#), School for Global and Area Studies, Oxford University

[Dr. Gubad Ibadoglu](#), Center for European Studies, Rutgers University

Organized in cooperation between [Off-University](#) and the [New University in Exile Consortium](#), this seminar will address the major effects of 'rentier economies' and natural resources on democracy and state building. It will also explore the role of natural resources in conflicts, including interstate wars, as well as the notion of the 'resource curse'.

This term Off-University will offer **eight brand new online courses, three of which are sponsored with the New University in Exile Consortium** – as always – free of charge and open to all. Visit their [website](#) to learn more.
